STEPHANIE REEDER
5TH GRADE CHAMPS
REP

AMANDA GERBER
ROOM PARENT
COORDINATOR

Seaside Elementary School PTA is sponsoring our annual direct donation, as a way to generate funds for our school, and bond ties with our sweet and small community. All proceeds from this event will be used to support our art, music and science programs, our school library, field trips, playground equipment and many other valuable programs our students love and grow from. In an era of declining funding for public education, the success of these programs has become even more crucial in assuring the excellence of our schools, and it's because of the generosity of companies like you, that keep them going.

We would greatly appreciate your support with a donation for any products, goods or services. I am sure you receive thousands of request, all worthy causes and that we are not as well known as most of them, but rest assured, we are a very close knit family community and our dedication to helping our school provide the very best learning experience for our children, is unlike anywhere else.

We thank you from the bottom of our hearts in advance, for considering to donate to Seaside Elementary School. Please know, if you chose Seaside, you will have participated in helping enrich our children's lives and helped make our school a even more special place to be.

Much Appreciation,

VP of Ways & Means

Kelly Okawa & Natasha Gentry
