

# Class of 2023

Each promoting fifth grade class at Seaside is lovingly referred to as **CHAMPS**.

## ***Children Have And Model Positive Peer Skills.***

The have become the leaders of our school, and our fifth graders have a special opportunity to work under the guidance of parents and teachers at Seaside to make their last year here memorable and meaningful. Decades ago, CHAMPS was started as a way for our 5th graders to become leaders as they transition to middle schoolers promoting responsibility, while learning to work toward a goal (their very loved end of the year party & promotion).

## **HOW DOES MY STUDENT BECOME A PART OF CHAMPS?**

GREAT NEWS! Your Student became part of CHAMPS the moment they became 5th graders- and actually, so did you :) Be on the lookout for a SHUTTERFLY invitation for our 2022/2023 Fifth Grade Class for up to date information, EVENTS & volunteer opportunities for you and your Fifth grader!

## **FIFTH GRADE PARTY & PROMOTION DIRECT DONATION**

Typically CHAMPS donates, works and provides goods to sell at various events of the year.

9/10 times this becomes parent-run, diminishing our goal of "parent-student" volunteering, as our mission is to help foster responsibility and hard work. This year, we will still have those opportunities, but they will be at a more specific capacity. After speaking with MANY past fifth grade parents who ran the committee of CHAMPS we decided to eliminate the involvement of CHAMPS at some events, and in lieu- ask each family to directly donate a minimum of \$100. This will allow us to fund events ourselves, and give us a better opportunity to serve with our kids & ENJOY their final year here! (IE- We wont be asking you every single time there is an event to donate your time, items AND extra funds)

## **WHAT WILL MY FIFTH GRADE DIRECT DONATION GO TO?**

- End of the year celebration with a day FULL of activities, FOOD, treats and amazing surprises for fifth graders ONLY
- End of the year promotion ceremony
- DVD montage of the 5th grade class throughout the year
- A legacy gift to Seaside
